RECYCLING ACKNOWLEDGEMENT AND AGREEMENT

In order to keep the stream of recycling clean we need your help! In recent weeks we have started a new recycle process and have seen firsthand the amount of trash making its way into our recycle cans. However, we are optimistic that with proper education we can improve our recycle program! There are two things to remember when recycling:

- **IS IT CLEAN?**
- **IS IT ON OUR LIST OF ACCEPTED RECYCLABLE MATERIAL?**
 - Magazines, newspapers, and all that comes with your newspaper
 - Paperboard such as, shoe boxes, cereal boxes, and paper towel cores, cardboard, fiber egg cartons and packaging. Remove all plastic and flatten boxes so they will fit in the cart. **Please, no waxed cartons and NO STYROFOAM**
 - **TYPES #1 and #2 PLASTIC-BOTTLES AND JUGS ONLY. MUST BE CLEANED AND RINSED THOROUGHLY** and remove all lids. **NO PLASTIC BAGS!!**

Look for this symbol:

- Tin cans (rinse thoroughly), aluminum pie plates, aluminum cans. No need to flatten
- Office or household mail, scrap paper, paper bags, phone books, paperback books.

NOTICE:

Failure to comply with curbside program could result in **additional service charges**. Continued contamination of recycled items could result in **removal of the recycle cart**. **FAILURE TO RETURN THIS LETTER WILL BE ACKNOWLEDGEMENT YOU DO NOT WANT TO CONTINUE THE RECYCLE PROGRAM**. Please follow us on Facebook to receive the latest recycle tips and updates.

Please sign and return this notice to the office to continue the recycle program
